

Dear Student,

On behalf of our committee and society members, it is my pleasure to welcome you to University of Plymouth.

The University of Plymouth **Optometry Society** (or **OpSoc** for short) is your society. We are the exclusive society for optometry students at Plymouth, representing approximately 200 students across the programme, with further links to our alumni. With an active events calendar and excellent company links, we provide a social network and professional forum for our students, enhancing your time at university.

The best place to learn more about our society, its ethos and events is to visit our website [www.plymouthopsoc.co.uk](http://www.plymouthopsoc.co.uk) .

Membership is now open via the UPSU website (<https://www.upsu.com/societies/opsoc/>) and this year remains at **just £10**. I invite you to join us and be part of our society.

But what are the benefits of joining?

- Access to our **members only** events (some with discounted ticket sales), merchandise & discounts. We have an active events calendar, with our biggest event **Eyeball**, requiring membership.
- The opportunity to be part of a network of students, across the programme, who can offer support both academically and socially.
- Subsidised gym and sport memberships through UPSU for being a society member.
- The opportunity to run at our Annual General Meeting and join the committee next year.
- **FREE Plymouth Premier Card, giving discount in local businesses around Plymouth.\***

\*Only available on sign ups before the end of September.

All of our committee members are here at PAHC today and we are all looking forward to meeting you. We wish you all the best in your studies.

With best regards,

Luke McRoy-Jones

President
